ART ON A POSTCARD SUMMER AUCTION 2022

Art on a Postcard is proud to present the fourth annual **Summer Auction** with an exceptional line up of emerging new graduates and world-renowned artists, including performance pioneer **Marina Abramović**, staple of London's Street Art scene **Ben Eine** and National Portrait Gallery BP Portrait Award-winner **Ishbel Myerscough**. For the auction, over 200 hand selected artists will create mini postcard-sized masterpieces, with bidding starting at just £50, to raise proceeds to continue The Hepatitis C Trust's vital work.

Joining the line-up is Chilean artist **Iván Navarro** who works with electric light as his primary medium. Navarro is known for his politically charged sculptures and installations that address the violence inflicted by the Chilean state. The auction will also include works by New York-based artist **Martin Wilner**, whose background as a clinical psychiatrist and Assistant Professor of Psychiatry has informed his practice. His work has been exhibited at notable establishments including the Freud Museum London, The Whitney Museum of American Art New York, and the Los Angeles County Museum of Art.

Highly collectible emerging talents on the cusp of greatness for Summer 2022 include Yorkshire-based **Jade Montserrat**, whose work reflects the interplay of art and activism. She has worked as a tutor on the MFA programme at Oxford University's Ruskin School of Art, and exhibited at Humber Street Gallery, Lisson Gallery and Brighton CCA. **Tosin Kalejaye**, a self-taught Nigerian artist who uses his art to convey impressions about modern society and the everyday black experience; and **Ruairi Fallon**, who works across paintings, textiles, and woodcuts and has been exhibited at Saatchi Gallery, Mall Galleries and in the Royal Academy Summer Exhibition.

They will be shown alongside original artworks by **Kathe Burkhart**, **Adam de Boer**, and **Miriam de Búrca** as well as long-time Art on a Postcard supporters **Alicia Rothman**, **David Wightman** and **Otto Schade**.
