sw.co.uk/machinery-business-assets/current

- Online Auction in accordance with General Condition 4.17.3 below);
- 4.17.3 the timed Online Auction Sale is auto bid extension enabled meaning that where a Bid is placed within ten minutes of the original scheduled close of the timed Online Auction the scheduled close of the timed Online Auction will automatically be extended by an additional ten minutes. This continues with a new scheduled close time each time a Bid is placed until no-one places a Bid before the last scheduled close of the timed Online Auction. Every time a Bid is placed within ten minutes or less left in the Online Auction an additional ten minutes Bidding time is added until there are no more Bids. Such time shall then be deemed to be the close of the timed Online Auction.
- 4.18 In the event that the Auctioneer unknowingly sells a Lot that was not eligible for Sale (i.e. there is a third party interest that comes to light) then the Auctioneer shall be entitled to immediately rescind that Sale without any further liability to the Auctioneer and/or Company or the Seller.
- 4.19 Copies of the Auctions (Bidding Agreements) Act 1927 and 1969 are held at the Company's and/or the Auctioneer's principal place of business.
- 5. Sale and Payment**
- 5.1 The Buyer shall pay the following sums to the Company in full and without set off:-
- 5.1.1 immediately upon the Sale of any Lot the Deposit, if requested by the Company; and
- 5.1.2 the balance of the price of the Lot purchased, together with the Buyer's Premium by no later than 48 hours after conclusion of the Sale or, in the case of an Online Auction, after receipt of an invoice in respect of the purchased Lot(s) pursuant to General Condition 4.13 above, or such other time and date as may be specified in the Special Conditions; and
- 5.1.3 any other payment or amount due to the Seller and/or the Company pursuant to these General Conditions or the Special Conditions on demand.
- 5.2 In every case time for payment shall be of the essence.
- 5.3 In view of Money Laundering Regulations the Company reserves the right to refuse payment in cash. Payments in cash of more than £7,500 will not, in any circumstances, be accepted.
- 5.4 If the Buyer fails to make any payment on the due date for payment then, without limiting any other right or remedy available to the Seller, the Buyer shall pay to the Company interest (both before and after any judgment) on the amount unpaid at the rate of 1.5% above the bank base rate of Barclays Bank Plc per month or any part thereof until payment in full is made.
- 5.5 Until the Buyer has fully complied with its obligations in this General Condition 5:-
- 5.5.1 title to any Lot bought shall not pass to the Buyer;
- 5.5.2 the Seller shall have a lien over any Lot bought by the Buyer in the Auction;
- 5.5.3 if the Buyer effects or purports to effect a resale or any other disposition of all or part of the Lot, the Buyer shall hold the proceeds of resale or other disposition on trust for the Seller.
- 5.6 All sums payable under these General Conditions and the Special Conditions are exclusive of any applicable VAT for which the Buyer shall be additionally liable to pay to the Company. On written request by the Buyer the Company will provide a VAT invoice.
- 5.7 The Company will only accept payment under this General Condition 5 from the Buyer or its authorised agents.
- 6. Removal of Lots**
- 6.1 Risk of damage to or loss of the Lot shall pass to the Buyer immediately upon the conclusion of the Sale.
- 6.2 The removal of Lots from the Location shall be undertaken by the Buyer entirely at its own risk and without any liability whatsoever to the Company.
- 6.3 Buyers are responsible for any and all costs and expenses incurred in relation to the removal of Lots and any other applicable charges, taxes and insurance costs.
- 6.4 The Buyer may not remove any Lot until the Buyer has:-
- 6.4.1 paid by cleared funds all amounts payable pursuant to General Condition 5 above in full; and
- 6.4.2 if requested by the Company produced satisfactory evidence to the Company that the Buyer has adequate public liability insurance in respect of the indemnity set out in General Condition 6.11 below and/or deposited with the Company, by way of security for the costs of making good any damage likely to occur, such sum as the Company may stipulate.
- 6.5 The Company will only permit the removal of Lots purchased by the Buyer or its authorised agents.
- 6.6 The Buyer must remove each Lot purchased by the Clearance Date and Time for which time shall be of the essence. Lots may only be removed during normal working hours or such hours as are specified in the Special Conditions. No clearance on Bank or Public Holidays. In the absence of co-operation the Company and/or the Auctioneer reserves the right to insist on the order of the removal of Lots or parts thereof.
- 6.7 Buyers should co-operate regarding order of removal of Lots in order to comply with the Clearance Date and Time. If it transpires that a Buyer makes no effort to commence dismantling and the particular Lot is preventing other buyers from removing purchased Lots, then the Auctioneer reserves the right to insist that removal take place immediately notwithstanding the specified Clearance Date and Time. In the event the Buyer does not comply with its obligations under this General Condition 6.7, then the Auctioneer reserves the right to arrange for the removal and/or storage of the Lot and charge any attendant costs to the Buyer.
- 6.8 If any Lot is unsold and has to be dismantled & lowered to allow the removal of any other lot, then such dismantling & lowering shall be the responsibility of the Buyer of the relevant Lot(s).
- 6.9 Title to computer software sold pursuant to the Sale of a Lot is not transferred under any Sale to the Buyer and use is subject to any licence or copyright restrictions and user conditions. The Sellers, Company and/or Auctioneers reserve the right to erase any private or sensitive information prior to the Sale or at any later date.
- 6.10 The Buyer and/or his removal contractor must liaise with the Company's site representative prior to commencing dismantling/removal of a Lot from the Location and must at all times comply with its obligations under clause 6.11 below.
- 6.11 When removing any Lot from the Location the Buyer shall, or shall procure that its removal contractors shall:
- 6.11.1 carry out a full assessment of Lot, the Location and the land or buildings to which the Lot is fixed to assess the risks associated with detaching/ removing the Lot and shall fully satisfy themselves that they can detach/ remove the Lot in compliance with the Buyers obligations under this General Condition 6.11 prior to handling and/or commencing removal of a Lot;
- 6.11.2 obtain all relevant planning permissions (where required) in relation to the removal of building structures and plant housings;
- 6.11.3 buyers of Lots will be required to make good holes or voids exposed by the removal of Lots. Cladding taken off buildings for removal of plant & equipment will have to be replaced, unless otherwise specified by the Company;
- 6.11.4 when detaching any Lot fixed to land or buildings, do so safely and lawfully and must not use flame cutters, explosives or any other dangerous equipment or process without first obtaining written consent of the Company;
- 6.11.5 remove the Lot in compliance with all relevant legislation, regulations, codes of practice, guidance, orders, rules and other requirements of any relevant government or governmental agency or authority whether Parliamentary, statutory, parochial or local including (without limitation) in compliance with the Health and Safety at Work etc Act 1974, the Environmental Protection Act 1990, The Construction (Design and Management) Regulations 2015, Control of Substances Hazardous to Health Regulations 2002 (COSHH), and the Road Vehicle (Construction and Use) Regulations 1986 and any subsequent amendments thereof and all other health and safety and environmental legislation in existence at the time of the Sale. To the extent that such regulations are advisory rather than mandatory, the standard of compliance to be achieved by the Buyer shall be to the best industry practice;
- In all cases arising under this General Condition 6.11 the costs of compliance shall be borne by the Buyer and the Buyer hereby indemnifies the Company and the Seller against all losses, costs, expenses, damages, liabilities, demands, claims, actions and proceedings which the Company and/or the Seller may incur arising directly or indirectly out of any breach by the Buyer to the provisions of this General Condition 6.11 and the Buyer shall make good any damage caused to (without limitation) other lots, the Location or to any property belonging to third parties, in removing any Lot under this General Condition 6.11.
- 6.12 The Company shall be entitled to halt the clearance of any Lot if in its absolute discretion the removal of a Lot is being carried out in an unsatisfactory manner. Where the clearance is halted by the Company, the Buyer must liaise with the Company's site representative as to how the Lot should be removed from the Location provided that the Buyer shall at all times ensure that it complies with its obligations under General Condition 6.11 above and the Company shall have no liability in this regard.
- 6.13 The Buyer shall provide evidence as and when requested by the Company of the Buyer's insurance policies in respect of the following insurances and at a minimum level of:
- 6.13.1 Public Liability Cover - limit Two Million Pounds (£ 2,000,000); and
- 6.13.2 Employers Liability Cover - limit Ten Million Pounds (£10,000,000);
- the Company reserves the right to vary the level of insurance cover stated above at any time, as and when required.
- 6.14 The Buyer shall provide to the Company a Risk Assessment & Method Statement complying with The Construction (Design & Management) Regulations 2015, COSHH or with any subsequent amendments thereof or such other legislation as shall from time to time be in force.
- 6.15 Electric, gas, water, steam and waste disconnections are the responsibility of the Buyer and **MUST** be carried out by an approved contractor following consultation with the site representative.
- 6.16 It is expressly brought to the Buyer's attention that certain Lots could contain asbestos, noxious chemicals/ substances etc. which if not handled correctly during their removal could result in breach of Health & Safety at Work legislation and/or Control of Substances Hazardous to Health Regulations or other statutory requirements.
- 6.17 Any fluids, gases and/ or waste remaining in plant and machinery are the responsibility of the Buyer and **MUST** be removed from the Location strictly in accordance with any applicable statutory requirements.
- 6.18 The Buyer must use safe and lawful means of removing the Lot, must comply with all current statutory requirements and regulations including those relating to the disposal and removal of waste, and if required, satisfy the Company in relation to their removal procedures; in particular, the removal of waste materials must be undertaken by an approved and licensed contractor to an approved waste management site.

- 6.19 The Buyer acknowledges and agrees to give a written undertaking pursuant to section 6(8) of the Health & Safety at Work Act 1974 when required to do so.
- 6.20 It is expressly brought to the attention of the Buyer that certain types of plant or main service installations could contain asbestos, dangerous chemicals etc. which, if not handled correctly during their removal from site, could be in breach of the Health & Safety at Work Act 1974, the Control of Asbestos at Work Regulations 2002, the Asbestos (Licensing) Regulations as amended and the Control of Substances Hazardous to Health Regulations 1988 (COSHH) or any other current legislation covering the use of such substances in a working environment.
- 6.21 It is the Buyers or their removal contractors responsibility (i.e. Police, Ministry of Transport, Local Authority) to transport off site long/ wide loads, within sufficient time prior to the commencement of clearance period as stated in the Special Notes & Conditions.
- 6.22 The Buyer shall indemnify the Company and the Seller against any loss, damages, expenses, claims or liabilities arising directly or indirectly from the possession or use of the Lot after title to the Lot has passed to the Buyer but before it is removed from the Location.
- 6.23 All Lots are sold on the understanding that the Seller does not represent them as being in a condition which makes them suitable for domestic use. If any Lots are intended for domestic use the Buyer must ensure that they comply with the requirements of the Furniture & Furnishings (Fire) (Safety) Regulations 1988 and any subsequent amendments thereof or such other relevant statutory requirements or regulations as shall from time to time be in force.
- 6.24 The Buyer undertakes to comply with the provisions of the Data Protection Act 2018 in processing data held by them in connection with any Lot.
- 7. Default by the Buyer**
- 7.1 If at any time the Buyer has failed to pay the sums specified in General Condition 5 above in full by the due date for payment, or to remove any Lot purchased by the Clearance Date and Time specified in the Special Conditions the Seller may rescind the Sale of that Lot, in which case any Deposit shall be forfeit, and that Lot may be resold.
- 7.2 If the Seller has rescinded the Sale but the Buyer has removed the Lot purchased, the Seller shall be entitled without previous notice to enter upon any premises where he believes the Lot to be and remove it.
- 7.3 If the Seller has rescinded the Sale and the Lot has been resold by the Auctioneer and/or the Company or by the Seller, the Buyer shall reimburse the Seller with any shortfall where: -
- 7.3.1 the resale price less the Sale price; and
- 7.3.2 the costs incurred by the Seller incidental to the resale.
- 7.4 If the Buyer fails to remove any Lot by the Clearance Date and Time specified: -
- 7.4.1 the Seller may remove the Lot from the Location and leave it outside at the Buyer's risk in all respects;
- 7.4.2 the Seller may charge the Buyer for the reasonable costs of storage;
- 7.4.3 the Seller may charge the Buyer rent, taxes, men's wages and expenses incurred as a result of the Lot(s) remaining at the Location; and
- 7.4.4 the Buyer shall indemnify the Seller against any loss, damages, expenses, claims or liabilities incurred by the Seller arising from the Buyer's failure to remove the Lot from the Location.
- 8. Acknowledgements and Exclusion of Warranties**
- 8.1 The Buyer acknowledges that in agreeing to purchase any Lot he is not relying on any warranties or representations made by the Seller or the Company or any of their employee's agents or representatives. All representations, warranties and conditions, express or implied, statutory or otherwise in respect of all and any of the Lots are expressly excluded and without limitation any warranties and conditions as to title, quiet possession, satisfactory quality, fitness for purpose and description are excluded to the fullest extent as permitted by law.
- 8.2 The Buyer further acknowledges that neither the Sellers nor the Company shall in any circumstances be liable to or to compensate the Buyer nor shall the Buyer be entitled to rescind the Sale or reject any Lot for an error omission or misstatement contained in the Catalogue and/or in the Special Conditions.
- 8.3 The Buyer also acknowledges that: -
- 8.3.1 all the Lots are purchased on the basis that risk of good title to all or any of them passing to the Buyer is at the Buyer's risk and without limitation the Lots are sold subject to any claims, liens, distraint and execution and subject to all leasing, hire or hire purchase agreements and reservation of title claims (if any) in respect of them;
- 8.3.2 if it shall be found that the Seller does not have title to all or any of the Lots the Buyer shall have no right to rescind, avoid or vary this agreement or to claim damages or a reduction in the price paid or payable;
- 8.3.3 anything found in, under, near or in any Lot which is not specifically included in the description of the Lot remains the property of the Seller;
- 8.3.4 any intellectual property rights or software subsisting in a Lot may be third party property and as such the Seller and/or the Company may be unable to effect transfer. The Buyer will not be authorised to use intellectual property rights or software and any such use or transfer shall be at the Buyers sole risk.
- 8.4 The Buyer undertakes that it shall ensure that any vehicle comprised in any Lot is in a roadworthy condition in accordance with the Road Vehicle (Construction and Use) Regulations 1986 and any subsequent amendments thereof or such other relevant regulations as shall from time to time be in force before using it on a public road. It is the Buyer's responsibility to remove Company logos and lettering from vehicles. Odometer readings are not warranted.
- 8.5 The Buyer acknowledges that any item of plant, machinery or equipment contained in the Lot(s) may not necessarily comply with any statutory requirements or regulations governing the use of that plant, machinery or equipment in their working environment. Neither the Seller nor the Company shall incur any liability to the Buyer because of any default or defect in all or any of the Lots. Buyers are entirely responsible for ensuring that the use of any item of plant, machinery or equipment does not contravene any health and safety and environmental legislation in existence at the time of the Sale.
- 8.6 The Buyer acknowledges and agrees that the Company is acting only as agent of the Seller and it is expressly agreed and declared that no personal liability in connection with the Sale of any Lot or otherwise shall fall on the Company and the Buyer shall indemnify the Company against all and any liabilities arising under or in connection with the Sale of any Lot. Insolvency Practitioner(s), including Administrative Receiver(s), Administrator(s) and Liquidator(s) act as agent(s) for the Seller without personal liability and shall incur no personal liability whatsoever in relation to a Sale or pursuant to any document relating thereto.
- 8.7 The Buyer acknowledges and agrees that the Auctioneer does not represent any lot as being in a condition which makes it suitable for domestic use.
- 8.8 The Buyer acknowledges and agrees that the Auctioneer does not have nor professes to have any expert or other knowledge of any Lots sold.
- 8.9 The Buyer acknowledges and agrees that the Auctioneer is hereby excluded from any liability the Auctioneer might otherwise incur.
- 8.10 The Buyer acknowledges and agrees that no liability shall attach to the Auctioneer either in contract or in tort for loss of injury or damage legal or otherwise sustained by the Seller, any bidder, the Buyer or any other person by reason of any defect in any Lot sold, latent or otherwise, or any defect or danger of the premises where the Auction is held.
- 8.11 The Buyer agrees that the General Conditions and the exclusions which they contain are fair and reasonable bearing in mind that:-
- 8.11.1 the Buyer must rely absolutely on the Buyer's own opinion and/or professional advice concerning the quality, state, condition, performance and functionality of the Lots any right, title or interest which is sold under the terms of these General Conditions, their fitness and suitability for any particular or any purpose, the possibility that some or all of them may have defects not apparent on inspection and examination including, without limitation, the presence of contamination and the possibility that the Buyer may not acquire title and the fact that the Buyer would have no remedy under this Agreement should that happen;
- 8.11.2 the Buyer has available to it skilled professional advice and on that basis agrees to purchase a Lot for a consideration calculated to take into account amongst other things the risk to it represented by the fact that the parties believe that all the exclusions and limitations set out in these General Conditions would be recognised as being fully effective by the Courts and the Seller making it clear that it would not have agreed to sell any Lot on any other basis except for a higher consideration;
- 8.11.3 the Buyer has been given every opportunity which might reasonably be expected to examine and inspect the Lots.
- 8.12 Notwithstanding anything else in these General Conditions, the Seller's and the Company's total liability under or in connection with the Sale of any Lot, whether in respect of breach of contract, tort (including negligence), breach of statutory duty or otherwise, including consequential loss, shall be limited in aggregate to the price paid for the Lot or if no price has been paid then the higher of the market value or reserve price for the Lot. This General Condition 8.12 does not apply to liability for death or personal injury.
- 8.13 The Buyer acknowledges that a Sale by Auction is not a consumer sale for the purposes of the Sale of Goods Act 1979 (as amended by the Sale and Supply of Goods Act 1994) and the Unfair Contract Terms Act 1977 and the Buyer shall not seek to rely upon and conditions or warranties implied thereby or by any other legislation.
- 9. Entire Agreement**
- 9.1 The parties agree that these General Conditions, the Special Conditions and the Catalogue constitute the entire agreement between them and supersedes all previous drafts agreements arrangements and understandings between them, whether oral or written.
- 10. Jurisdiction**
- 10.1 Each party irrevocably agrees that the courts of England and Wales shall have exclusive jurisdiction to settle any dispute or claim arising out of or in connection with these General Conditions or its subject matter or formation (including non-contractual disputes or claim).

SPECIAL CONDITIONS OF SALE

Seller:

On the instructions of Various Retained Clients

Location:

Various Locations throughout the UK

Viewing:

Strictly by appointment through Stephen Jepson or Kris Taylor.

Access to the Location is allowed on the understanding that all persons attend the Location entirely at their own risk and are responsible for and will indemnify the Seller and the Company against any losses damage or claims occasioned by their presence at the Location.

Reserve Removal:

Lots sold subject to a reserve removal will either be indicated in the Catalogue with the date of availability or will be identified by the Auctioneer at the point of Sale. A Deposit will be payable as with other lots but in this instance payment in full can be left until five (5) working days prior to availability. Unless specified to the contrary such Lots must be removed from the Location not later than the Clearance Date and Time specified for final removal in these Special Conditions.

Fire Alarm:

In case of a fire alarm all visitors and contractors are to exit buildings and report to the Muster Point.

Smoking:

No smoking on site. Food and Drink is only to be consumed in designated areas.

Safety:

All persons including Buyers, their employees, agents, representatives and contractors are reminded that they are responsible for their own safety on site and enter at their own risk and should take the precaution of wearing protective clothing as appropriate.

Finance:

If Buyers wish to purchase Lots with the help of a finance company they should make arrangements well in advance of the Sale to ensure that they are able to make payment in accordance with the General Conditions.

Overseas Buyers:

Overseas Buyers should ensure that the country to which the items are destined: -

- holds no import restrictions on the goods to be purchased;
- has no import licence restrictions or a restriction on currency allocation;
- has no prolonged inspection procedure which might cause excess delay or refusal in allowing your goods to be imported.

Overseas Buyers will receive a fully descriptive invoice in order that they may arrange payment as soon as possible with the Company's bank, Allied Irish Bank (UK) Plc, Vantage Point, Hardman Street, Spinningfields, Manchester.

Overseas Buyers should employ a suitable freight forwarding organisation. Please note that many of the machinery removal companies in the United Kingdom are not necessarily freight forwarders. The [Seller and/or Company] will be pleased to advise accordingly.

The Company makes no representation and accepts no liability whatsoever to any Buyer in respect of the issuance or validity of any exportation or importation permits or the existence and exercise of exportation or importation regulations or any compulsory purchasing regimes.

VAT Payments and Returns:

All overseas Buyers (EU and non-EU) will be charged VAT at the current rate on each Lot purchased. This will be refunded to the overseas Buyer as soon as the Seller receives a copy of the bill of lading as proof of export, providing this documentation is received within 3 months of the sale date. The Seller is unable to refund the VAT on the Buyer's Premium to non-EU countries.

CAT087 | 394 | Stainless Steel Horizontal Conveyor, on stainless steel legs, dimensions approx. bare shaft 15cm wide belt x 152cm long x 90cm high, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT095 |
| 387 | Magnetic Separations Stainless Steel Tramp Magnet, dimensions approx. approx. 30cm x 30cm feed throat, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT088 | 395 | Stainless Steel Reactor, with stainless steel jacket, galvanised steel frame (no driven body only). capacity Internal pressure 100 psm, 200 psi test, full vacuum jacket is 180 psi and 280 psi test, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT096 |
| 388 | Mobile Stainless Steel 8in dia. Auger, with geared drive, dimensions approx. 14 ft long, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, geared drive not fitted, client reference no. CAT089 | 396 | Salter Check Roller Weigher, fitted on concrete base, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, last used on 50kg bags, client reference no. CAT097 |

| Lot | Description | Lot | Description |
|-----|--|-----|---|
| 397 | Rotan Stainless Steel Integral Gear Pump Set, 2.5in ports free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT098 | 406 | Grundy 800L Vertical Stainless Steel Tank, with oval side manway 3in outlet, on mild steel legs, level float switch, dished top and bottom (Ex beer tank), free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT107 |
| 398 | Elmo 1500kg Scissor Lift, hyd/ electric hoist, with safety skirt attached, capacity platform approx. 150cm x 100cm, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT099 | 407 | Pamasol 0.5L Single Shot Liquid Filler, with stainless steel contact parts and foot controller, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, can be adjusted for smaller fills, client reference no. CAT108 |
| 399 | John Dore Stainless Steel 2000L Tank, with slight cone bottom, 2in outlet lagged and clad in aluminium on four mild steel legs and internal steam coil open top, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT100 | 408 | Hindle 6in Full Bore Stainless Steel Ball Valve, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT109 |
| 400 | Kady 1000L STAINLESS STEEL WET MILL / HOMOGENISER , with 150mm bottom driven homogenising work head, stainless steel jacket and driven by 75hp FLP motor and soft starter, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, bottom driven homogenising work head is for general purpose, client reference no. CAT101 | 409 | Hindle 6in Full Bore Stainless Steel Ball Valve, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT110 |
| 403 | Stainless Steel 90L Header Tank, with lid, large stainless steel float attached to a water inlet valve, mounted on three legs, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT104 | 410 | Hindle 6in Full Bore Stainless Steel Ball Valve, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT111 |
| 404 | Pan-Tecnica 1L Single Shot Depositor, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, has an adjuster for the stroke which in turn reduces the fill capacity, all pneumatic, client reference no. CAT105 | 411 | Jamesbury 6in Reduced Bore Stainless Steel Ball Valve, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT112 |
| 405 | DCE UMA-152 Dust Unit, with controller and rework bucket, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT106 | 412 | Three Mild Steel Anti-Slip Rubber Covered Treads, on wheels, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT113 |
| | | 413 | Mono SH40 Bareshaft Stainless Steel Pump, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT114 |

| Lot | Description | Lot | Description |
|-----|--|-----|---|
| 414 | Labour A60LV Stainless Steel Bareshaft Pump, dimensions approx. suction 2.5in x 3in, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT115 | 421 | Grunfos CR-16-40-A-F-A-BUBV Multi-Stage Pump 4kW rated @16m3 Hr @ 41.6 Mt Hd (understood to be unused), free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT122 |
| 415 | Edmo TSE 1000 X 1200 Hi-Lift 1000kg Pallet Lift, 3 phase hydraulic/ electric mechanism, with stand away umbilical switch and all round safety cut-off switches (understood to be unused), dimensions approx. lift cradle 104cm x 120cm, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, Lifter can be loaded with a normal pallet truck at floor level, client reference no. CAT116 | 422 | Edmo Low Profile Scissor Lift, with hydraulic / electric pack, dimensions approx. 180cm lift, capacity 2000kg, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT123 |
| 416 | Pascal 1418 Engineering Vibratory Drum Shaker, single phase, 240V, fitted with removable 60L stainless steel drum and clamp on lid, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT117 | 423 | Durco Chemstar 50- 32-200/185 Stainless Steel Centrifugal Pump Set, rated @ 3m3 Hr @ 50 Mt Hd, with 5.5kW drive, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT124 |
| 417 | Repem Pneumatic Cap Tightener, with cantilevered arm, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, last used for flat caps on 45 gall drums, client reference no. CAT118 | 424 | Durco Chemstar 50- 32-200/185 Stainless Steel Centrifugal Pump Set, rated @ 3m3 Hr @ 50 Mt Hd, with 5.5kW drive, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT125 |
| 418 | Vac-U-Max Rip and Tip Bagging Unit, with stainless steel construction, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, unit has the capacity to suck or blow the powers through a feed line, an internal mesh allows the bag to be opened within the unit where the dust maybe extracted, client reference no. CAT119 | 425 | GEA VT20 Stainless Steel Plate Heat Exchanger (Ex dairy), serial no. 1701/12723, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - When installed failed pressure test between water and product side probably gasket or a hole in one of the s/s plates. Sold as described in an "as is " condition., client reference no. CAT126 |
| 419 | Alfa-Laval Flat Belt Conveyor, 3 phase, with starter, dimensions approx. 127cm long x 19cm belt x 90cm high, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT120 | 426 | Greaves GM3/4 Homogeniser 0.55kW motor, with starter and deflector plate, dimensions approx. 75cm long x 7.5cm head, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT127 |
| 420 | Siemens Rotary Vacuum Pump / Blower, 2in ports, 3 phase drive motor, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT121 | 427 | Greaves Homogeniser, with 10cm general purpose head and deflector plate, 3 phase 1.5kW motor, dimensions approx. stainless shaft 80cm long, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT128 |

| Lot | Description | Lot | Description |
|-----|---|-----|---|
| 428 | Greaves Homogeniser, with stainless steel deflector plate and FLP 1hp motor, dimensions approx. 90cm long shaft and 7.5cm dia. work head, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT129 | 434 | Aluminium Mobile Storage Discharge Hopper, with a slide valve, dimensions approx. 4ft x 4ft x 1-6" straight side, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, for plastic pellets or powders, client reference no. CAT135 |
| 429 | Greaves HS-10 Homogeniser, with 7.5kW motor, dimensions approx. 15cm work head and 95cm long shaft, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT130 | 435 | Colortronics CEF50S Vacuum Transfer Conveyor, with stainless steel hopper, controls and rotary vacuum pump, 2.2kW, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT136 |
| 430 | Stainless Steel 316 Shell Tube Heat Exchanger, rated at 5 bar working both sides, two x 50mm nozzles, 30cm deep end cap and two x 2.5cm nozzles in the shell the second end cap x 12cm deep, with a drain nozzle, dimensions approx. surface area 9 Sq m, 300cm long x 26cm dia. tube bundle, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT131 | 436 | Plastic Slat Conveyor, with a geared drive and emergency stop button, dimensions approx. 10cm wide x 300cm long x 90cm high, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT137 |
| 431 | Allexheny Bradford Corporation USA Stainless Steel Shell Tube Heat Exchanger Shell, rated @ 150 psi max @ 375 Deg F, tubes rated @ 150 psi max @ 375 Deg F, 30mm and 50mm nozzles in the shell and 1 x 20mm nozzle in each end cap, year of manufacture 2012, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT132 | 437 | Stainless Steel Jacketed 40L Cone, on mobile frame, with standalone heating element and water, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, pump Last used to melt chocolate, client reference no. CAT138 |
| 432 | Stainless Steel Vertical Tank, on three stainless steel tubular legs, open topped, with an internal safety grill, fitted bracket to the top side for fitting an agitator (no agitator included), with a 25mm side outlet which fully drains., dimensions approx. 53cm dia. x 75cm on the straight side and a flat sloping bottom, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT133 | 438 | Endecotts Laboratory Multi-Sieve, with seven grading sieves, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Missing a timer but works well, client reference no. CAT139 |
| 433 | Polyprop Insulated Mixing Tank, with internal plastic cooling coils, bolt on lid which has a single-phase gearbox and motor attached, dimensions approx. 40cm dia. x 750cm on the straight side, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT134 | 439 | Muller 8in Stainless Steel Clamp, on cone for discharging powders, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT140 |
| | | 440 | Muller 8in Stainless Steel Clamp, on cone for discharging powders, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT141 |
| | | 441 | Muller 8in Stainless Steel Clamp, with stainless steel valve, on cone for discharging powders, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT142 |

| Lot | Description | Lot | Description |
|-----|---|-----|---|
| 442 | Sandpiper Polyprop Double Diaphragm pump, 2in ports, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT143 | 449 | Polished Stainless Steel Mobile Feed Cone Hopper, with three tubular legs, on wheels., dimensions approx. 1m dia. down to 1.5in outlet, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT150 |
| 443 | Watson Marlow 302-F Perisaltic Pump, single phase, (no hose), variable speed, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Runs ok, client reference no. CAT144 | 450 | Stainless Steel Oblong Mobile 650L Enclosed Tank, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, sloping bottom which is fully draining a bolt on top with several inlets, client reference no. CAT151 |
| 444 | Liquid Control Single Shot Filler, with 110V heated hopper and foot controller, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, for wax type products or thick materials which need heat, you can vary the stroke which in turn varies the volume of product dispensed, client reference no. CAT145 | 451 | Stainless Steel Lectern, with two shelves, dimensions approx. 40mm stainless steel section construction, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT152 |
| 445 | A.P.V. 1500L Dairy Tank, with stainless steel lids, six adjustable feet and fully draining 2in outlet, stainless steel cooling coils (known to new connections fitting then to test), free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT146 | 452 | Mild Steel Three Tread Mobile Steps, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT153 |
| 446 | Gravity Roller Conveyor, with guide rails and four adjustable legs, dimensions approx. approx. 1m x 2m curve and 2m x 1m straights, 20cm wide rollers, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT147 | 453 | Inritsu Check Weigher, with digital controls and pneumatic reject, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, for small packages, client reference no. CAT154 |
| 447 | Single Water Mobile Water Heater, 5kW, 11amp, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT148 | 454 | Parker 10in Digital Controller (unused - still boxed), free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT155 |
| 448 | Manesty Stainless Steel Hammer Mill, with 7.5kW motor, through v-belts and cast-iron mobile frame, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT149 | 455 | Krone Stainless Steel Flow Meter (new and unused - still boxed), free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT156 |
| | | 456 | Polyprop 50L Tank, with internal coils, 25mm outlet bolt on lid, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT157 |

| 457 | Muller Stainless Steel Dispensing Cone, 8in discharge, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT158 | 466 | Rotamix High Speed Homogeniser, 4kW flip motor, with stainless steel contact parts, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT167 |
| 458 | Busch SV-1040 Single Phase Vacuum Pump , free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT159 | 467 | Y-Stral 1.5kW Stainless Steel High Speed Mixer, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT168 |
| 459 | Busch SV-1040 Single Phase Vacuum Pump, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT160 | 468 | Marsden Single Phase Dust Collector, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT169 |
| 460 | Busch SV-1040 Single Phase Vacuum Pump, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT161 | 469 | 650L Stainless Steel Cyclone, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, last used on food products, client reference no. CAT170 |
| 461 | Busch SV-1040 Single Phase Vacuum Pump, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT162 | 470 | Vibro-Mac Self-Cleaning Stainless Steel Filter, on mobile mild steel frame, pneumatic free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT171 |
| 462 | Busch SV-1040 Single Phase Vacuum Pump, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT163 | 471 | Anderson Greenwood Stainless Steel Pressure Relief Valve, 1.5in x 2in, set pressure @ 23 bar, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT172 |
| 463 | Vacuubrano ME-2 Diaphragm Vacuum Pump, single phase, 0.12kW, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT164 | 472 | Anderson Greenwood Stainless Steel Pressure Relief Valve, 1.5in x 2in, set pressure @ 23 bar, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT173 |
| 464 | Vacuubrano ME-2 Diaphragm Vacuum Pump, single phase, 0.12kW, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT165 | 473 | Anderson Greenwood Stainless Steel Pressure Relief Valve, 1.5in x 2in, set pressure @ 23 bar, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT174 |
| 465 | Papenmeier 35L-40L Stainless Steel Working Bowl, with mild steel heating jacket and high-speed variable powder mixer, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT166 | | |

|-----|--|-----|---|
| 474 | Northland Stainless Steel Mobile Tank, with bottom agitator, 75 psi and full vacuum, approx. 500L, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT175 | 482 | Plenty PUD-55 Agitator Drives (no shafts or impellers), 90rpm, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT183 |
| 475 | Flux Stick Pump, stainless steel, PTFE stator stainless rotor, 1.5in outlet, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, last used on pharma creams, client reference no. CAT176 | 483 | Plenty PUD-55 Agitator Drives (no shafts or impellers), 90rpm, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT184 |
| 476 | Translyft 1000kg Scissor Lift, single phase hyd/ electric. raise / lower, with stand away umbilical and safety switches all around the base, dimensions approx. 120cm lift, platform 100cm x 150cm, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT177 | 484 | Kotthoff Homogeniser, flange mounted, 7.5kW, 1450rpm (understood to be new and unused), dimensions approx. 20cm head x 85cm long shaft, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, made for abrasive materials hence no bottom bush to wear and a heavy bearing at the top end, client reference no. CAT185 |
| 477 | Chemineer PD20 Clamp on flp Stainless Steel Agitator, 1.5kW @ 1400 rpm, dimensions approx. 900cm shaft, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT178 | 485 | Four Stainless Steel Y strainers, two x 75mm and two x 100mm, flanged (unused), free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT186 |
| 478 | Chemineer PD20 Clamp on flp Stainless Steel Agitator, 1.5kW @ 1400 rpm, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT179 | 486 | Stainless Steel Double Length Inner Basket Sock Holder (understood to be new and unused), free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT187 |
| 479 | Chemineer PD20 Clamp on flp Stainless Steel Agitator, 1.5kW @ 1400 rpm, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT180 | 487 | Townson/ Mercer Stainless Steel Vacuum Oven, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, in working order needs a new controller, client reference no. CAT188 |
| 480 | Chemineer PD20 Clamp on flp Stainless Steel Agitator, 1.5kW @ 1400 rpm, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT181 | 488 | Primarc Stainless Steel Conveyor, through a curing oven, single phase, with transformer, free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT189 |
| 481 | DS Smith Bag in the Box Filler (needs a flow meter etc), free loading onto purchaser's transport - yes, item located in Darlington, County Durham, vendors comments/condition report - Good condition, fully functional, client reference no. CAT182 | | |
