

LOT#	DESCRIPTION	RIGGING AND LOADING FEES
1	Michael Byrne Horizontal Carbon Steel Screw Conveyor, Approximate 24" diameter x 25' long. Includes a top feed hopper. Driven by a 25hp motor. Mounted on legs.	\$ 1,144.00
2	Michael Byrne Inclined Carbon Steel Screw Conveyor, Approximate 24" diameter x 48' long. Bottom feed with hopper, end top discharge, partial top cover. Driven by a motor. Mounts on legs.	\$ 1,724.00
3	Dupps Horizontal Asphalt Shingle Melter, Carbon Steel. Approximate 55.25" diameter x 16'8" straight side. Hot oil jacket rated 60 psi at 600 degrees F. Internal paddle assembly driven by a 75hp motor with reducer. 24" Diameter top end inlet, 24" end bottom outlet. Mounted on a frame. Serial# 08-1017, National Board# 2626, built 2008.	\$ 2,330.00
4	Heatec Thermal Fluid Heater, Model HCS-100. Approximate 1.2 mm BTU. 150 Gallons Per Minute at 80' TDH, 550 F., natural gas or #2 fuel oil modulating burner, Burner Logix control system, Fireeye flame scanner, first-out annunciator, 14" diameter exhaust stack, high temp switch, skid-mount. Serial# H08-084, built 2008.	\$ 1,290.00
5	Smalis Inclined Rubber Belt Conveyor. Approximate 30" wide x 54'6" long. Top mounted conveyor hoods, motor and reducer. Mounted on a carbon steel frame.	\$ 2,070.00
6	Carrier Vibrating Feeder, Model FC-5480S-8'-0", Carbon Steel. Pan approximate 54" wide x 96" long x 8" deep. Designed for 20 tons per hour of asphalt shingles. Driven by a 2hp motor. Serial# 28324, built 2014.	\$ 260.00
7	Carrier Vibrating Fluid Bed Processor, Model QAC-72100S, Carbon Steel. Designed for 20 tons per hour of asphalt shingles Approximate 33'-6" long. Includes top hood with manifold, 100hp New York blower with side manifold, 25hp motor. Serial# 28325, built 2014.	\$ 5,847.00
8	Sly Tube Jet Dust Collector, Model STJ-4314-10, Carbon Steel. Approximate 6930 Square feet cloth area, 34,000 ACFM. Includes a 75hp New York blower and bottom screw conveyor discharge. Serial# 15986, built 2014. Includes approximate 240 cloth filter bags located in container.	\$ 5,847.00

LOT#	DESCRIPTION	RIGGING AND LOADING FEES
9	Smalis Inclined Rubber Belt Conveyor. Approximate 60" wide x 42'7" long. Top mounted conveyor hoods, motor and reducer. Mounted on a carbon steel frame.	\$ 858.00
10	Schutte Buffalo Primary Hammermill, Model 15100, Carbon Steel. Designed for 24 tons per hour asphalt shingles. Rotor approximate 36" diameter x 45" wide with 1" thick swinging hammers. Driven by a 250hp motor. Serial# S1312020.	\$ 858.00
11	TRAMCO Dual Lane Bulk-Flo 6" X 42" Drag Chain Conveyor. Conveyor length, speed 40.2 feet per minute, designed for 10 ton of hour of Harmonite. Approximate 18' long bottom horizontal section x 17' rise x 6' long top horizontal section driven by a 15hp motor with reducer. Serial# BF-1777.	\$ 2,280.00
12	Eriez Permanent Magnetic Dry Drum Separator, Model 18"x48" CCDIH. Drum speed 35 rpm. Driven by a motor and reducer. Serial# 274171, built 2013.	\$ 429.00
13	Schutte Buffalo Secondary Hammermill, Model 15100, Carbon Steel. Designed for 24 tons per hour asphalt shingles. Rotor approximate 36" diameter x 45" wide with 1" thick swinging hammers. Driven by a 250hp motor. Serial# S1312020.	\$ 640.00
14	Unused Leeson 250hp motor. 3/60/460 volt, 1785 rpm. Frame# 449T.	\$ 75.00
15	Schutte Buffalo Model 15100 Rotor. Approximate 6" diameter x 45" wide with 1" thick swinging hammers	\$ 125.00
16	Imperial Systems Cyclone, Model ISH74-7, Carbon Steel. Approximate 74" diameter x 306" overall height. Includes bottom rotary valve. Serial# 14006-004.	\$ 1,050.00
17	Imperial Systems CMAXX Cartridge Dust Collector, Model CM064-PYM, Carbon Steel. Approximate 14400 Square feet cloth area, 20,000 ACFM. Includes a 100hp Industrial Air blower. Serial# 2677, built 2014.	\$ 7,436.00
18	Imperial Systems CMAXX Cartridge Dust Collector, Model CM032-PYM, Carbon Steel. Approximate 7200 Square feet cloth area, 9,500 ACFM. Includes a 50hp Industrial Air blower. Serial# 2678, built 2014.	\$ 3,088.00

LOT#	DESCRIPTION	RIGGING AND LOADING FEES
19	Dupps Carbon Steel Screw Conveyor, Approximate 16" diameter x 45'6" long. Bolt on top cover. Driven by a 7.5 hp motor with reducer. Serial# OE730493-16, built 2014.	\$ 640.00
20	Dupps Carbon Steel Screw Conveyor, Approximate 16" diameter x 32'8" long. Bolt on top cover. Driven by a 10 hp motor with reducer. Serial# OE730493-15, built 2014.	\$ 640.00
21	TRAMCO Bulk-Flo 6" X 15" Drag Chain Conveyor. Speed 50.9 feet per minute, designed for 20 ton of hour of Harmonite. Approximate 26' long bottom horizontal section x 20' rise x 24' long top horizontal section driven by a 7.5hp motor with reducer. Serial# BF-1780.	\$ 1,140.00
22	Dupps Carbon Steel Screw Conveyor, Approximate 16" diameter x 30' long. Bolt on top cover. Driven by a 10 hp motor with reducer. Serial# OE730493-17, built 2014.	\$ 2,488.00
23	Dupps Carbon Steel Screw Conveyor, Approximate 16" diameter x 30' long. Bolt on top cover. Driven by a 10 hp motor with reducer. Serial# OE730493-18, built 2014.	\$ 2,488.00
24	Rotex Apex Screener, Model A7D95L-2M, Carbon Steel. Bolt on top covers, single deck, 2 separations, suspended carbon steel frame. Driven by a 10hp motor. Serial# S070575/7, built 2014.	\$ 2,860.00
25	Rotex Apex Screener, Model A7D95L-2M, Carbon Steel. Bolt on top covers, single deck, 2 separations, suspended carbon steel frame. Driven by a 10hp motor. Serial# S070575/0, built 2014.	\$ 2,860.00
26	Lot of Miscellaneous Rotex Screens, and Cleaning Deck Balls & Pallet Racking.	\$ 165.00
27	TRAMCO Bulk-Flo 6" X 15" Drag Chain Conveyor. Speed 50.4 feet per minute, designed for 20 ton of hour of Harmonite. Approximate 26' long bottom horizontal section x 13' rise x 6' long top horizontal section driven by a 10hp motor with reducer. Serial# BF-1778.	\$ 2,870.00

LOT#	DESCRIPTION	RIGGING AND LOADING FEES
28	TRAMCO Bulk-Flo 6" X 15" Drag Chain Conveyor. Speed 50.9 feet per minute, designed for 20 ton of hour of Harmonite. Approximate 40' long bottom horizontal section x 15' rise x 20' long top horizontal section driven by a 10hp motor with reducer. Serial# BF-1779.	\$ 3,240.00
29	Imperial Systems Cyclone, Model ISH51-7, Carbon Steel. Approximate 51" diameter x 228" overall height. Includes bottom rotary valve. Serial# 14006-005.	\$ 780.00
30	Schutte Buffalo Hammermill, Model 1580, Carbon Steel. Rotor approximate 34" diameter x 22" wide with 3/4" thick swinging hammers. Driven by a 100hp motor. Serial# S1312020.	\$ 540.00
31	Schutte Buffalo Hammermill Rotor, Model 1580, Carbon Steel. Rotor approximate 34" diameter x 22" wide with 3/4" thick swinging hammers	\$ 75.00
32	Unused Leeson 100hp motor.	\$ 75.00
33	Grizzly Cyclone Dust Collector, Model G0441, Carbon Steel. Top mounted 3hp blower. Serial# 121422, built 2012.	\$ 155.00
34	Dupps Surge Bin, Carbon Steel. With (4) approximate 16" diameter x 16' long bottom discharge screws, driven by (2) 7.5hp gearmotors, top mounted leveling screw.	\$ 3,280.00
35	TRAMCO Bulk-Flo 6" X 15" Drag Chain Conveyor. Speed 50.9 feet per minute, designed for 20 ton of hour of Harmonite. Approximate 15' long bottom horizontal section x 18' rise x 25' long top horizontal section driven by a 7.5hp motor with reducer. Serial# BF-1781.	\$ 3,160.00
36	Dupps Carbon Steel Screw Conveyor, Approximate 16" diameter x 27' long. Bolt on top cover. Driven by an approximate 10 hp motor with reducer.	\$ 425.00
37	Dupps Carbon Steel Screw Conveyor, Approximate 16" diameter x 30' long. Bolt on top cover. Driven by an approximate 10 hp motor with reducer.	\$ 425.00
38	Dupps Carbon Steel Screw Conveyor, Approximate 16" diameter x 35' long. Bolt on top cover. Driven by an approximate 10 hp motor with reducer.	\$ 425.00
39	Dupps Carbon Steel Screw Conveyor, Approximate 16" diameter x 35' long. Bolt on top cover. Driven by an approximate 10 hp motor with reducer. Serial# OE734119-03, built 2014.	\$ 425.00

LOT#	DESCRIPTION	RIGGING AND LOADING FEES
40	Dupps Carbon Steel Screw Conveyor, Approximate 16" diameter x 35' long. Bolt on top cover. Driven by an approximate 10 hp motor with reducer. Includes (3) bottom mounted slide gate valves.	\$ 650.00
41	Spiroflow Systems Bulk Bag Filler, Model C1-2. Includes inflatable sleeve, slide gate valve, bag holder and a 48" x 56" bottom scale. Serial# 20303A, built 2014.	\$ 200.00
42	Spiroflow Systems Bulk Bag Filler, Model C1-2. Includes inflatable sleeve, slide gate valve, bag holder, 48" x 56" bottom scale and control panel. Serial# 20303B, built 2014.	\$ 200.00
43	Hamer Model 2090 Form Fill & Seal Machine. Last filling 18" x 28" bags. Minimum 2.5mm film thickness for center fold film. Bag length minimum 16", maximum 42". Serial# 14209077. (1) Hamer Model 600 Net Weigh Scale. Designed with 100 cubic feet product hopper, belt feeder hopper 35 cubic feet. Dual cylinder weigh bucket, gravity gate, belt feeder. Serial# 14600136DBF. (3) sections of discharge conveyor.	\$ 2,824.00
44	Hamer Bag Flatening Conveyor. Approximate 24" wide x 102" long. Driven by a gearmotor.	\$ 155.00
45	Hamer RPM Robotic Palletizer. With Yaskawa Motoman robot, model MPL160, type YR-MPL0160-04, serial# RH9G75-3301-3, built 2013, bag picking attachment, (2) infeed conveyors, pallet loader, slip sheet placer, Rice Lake floor scale with readout and control panel.	\$ 2,650.00
46	M.J. Maillis Wulftec Orbital Stretch Wrapper, Model WCRT-200. With approximate 330" long powered roller conveyor, 60" discharge roller conveyor, top sheet applicator, control panel. Serial# 100533-1-0414.	\$ 2,650.00
49	Approximate 300 Gallon Fuel Storage Tank, Delayed delivery until January 2021.	\$ 75.00
50	Better Built 50 Gallon Transfer Tank.	\$ 75.00
51	Custom Metalcraft Stainless Steel Tote Bin.	\$ 50.00
52	Forklift Man Basket.	\$ 50.00
53	Shelving Unit With Miscellaneous Contents.	\$ 125.00
54	Shelving Unit With Miscellaneous Contents.	\$ 125.00
