- 1.** 2019 Ford KA+ Active, 1.2 VCTI 85PS. Registration number YW19 FCL. £6000-£7000
Chassis number MAJUXXMTKUKC59049.

Ford revealed the new KA+ - for the first time also offered as new KA+ Active crossover version - delivering greater comfort and convenience, more driver assistance technologies than the current model, and enhanced interior and exterior styling.

Offering generous space for five passengers and ample luggage, the new KA+ and KA+ Active are available with technologies including Ford's SYNC 3 communications and entertainment system, rain-sensing wipers and automatic headlamps.

The new Ford KA+ and KA+ Active for the first time also deliver a choice of petrol and diesel powertrains, including Ford's new refined and fuel-efficient 1.2-litre, three-cylinder Ti-VCT (Twin independent Variable Camshaft Timing) petrol engine offering 70 PS or 85 PS, and Ford's 95 PS 1.5-litre TDCi diesel engine designed to meet the needs of higher-mileage drivers.

The new Ford KA+ Active further enhances the compact five-door model with rugged bodystyling, raised ride-height and unique chassis tuning, unique front grille designs, exclusive interior finishes and a high-level standard equipment specification.

<https://www.parkers.co.uk/ford/ka/plus-active/review/>.

YW19FCL was bought by our deceased vendor on the 31/03/2019 from Richardsons of Driffield and is a 5 speed manual. It has only covered 1004 miles from new and from the look of the engine bay never been out in the wet.

It has been used for many months, stored in a dry garage, we have driven it up our private road and it appears in excellent condition.

Due an MOT in 2022 we would recommend that it is serviced before use due to the length of time it has been stored.

Sold with the V5C, service books and two keys.

- 2.** A giant outdoor/playground Noughts & Crosses game, made by Playdale, double-sided, nine rotating cylinders supported by upright timber posts. £40-£60
