16	If you're looking to maintain or give your garden the perfect finish, then the Compound Telescopic Hedge Shears were made for you. Made with high-quality blades, the hard-wearing telescopic shears are reliable and versatile with an adjustable height from 64cm to 110cm. A lightweight design means the pruning shears can be used by nearly anyone, and their sturdy design will lead to no worries about damage during storage. It's hard to go back to normal shears after experiencing the shears' compound cutting action feature, resulting in a less tiring and more powerful cutting experience. With a large cutting diameter of 250mm, the shears can operate over a large cutting surface, meaning more efficient trimming and more time to appreciate your hard work! 65	<p>Summary Anti Ageing Technology Innovative massage system Improves circulation Regenerates cells Increased skin metabolism MicroRelax Anti Ageing Micro Vibration Massage Therapy Description MicroRelax Anti Ageing Micro Vibration Massage Therapy Vibrates up to 8000 sec Retail Packaged Description Innovative micro massaging system, allows stimulating targeted massage to all areas of the body Vibration transmitter induces movement in finger tip which then micro massages the area Use with creams and lotions to maximise their smooth administration and effectiveness Very relaxing and produces results even on the first use. Simply strap the main lightweight battery unit to your wrist and the transmitter to the chosen finger, switch on and adjust intensity of vibration If you have poor circulation, or experience fine lines and wrinkles then Micro Vibration Therapy may be the solution for you. Micro Vibration therapy works by deeply massaging each layer of your skin with rapid vibrations that promote lymphatic drainage. It also increases the regeneration of skin cells leading to younger, healthier looking skin. The increase in microcirculation, cell regeneration and increased skin metabolism are the benefits of micro vibration therapy. To reach more about the benefits of micro massage and its anti aging benefits here is one article from the internet: What is MicroVibration Therapy? The whole unit is presented in handy travel case so you can take it with you anywhere, and use anytime. Batteries (2 x AAA)are included with the device so you can use straight away, and are easily replaceable (BRAND NEW AND SEALED - ITEMS NOT ON SITE!)</p>	1

99	<p>Summary easy to install easy to use Free software Windows compatible Sleek and Stylish Bamboo Touch CTT-460-EN Description Please satisfy yourself that this product will work with your PC. Combining intuitive design and versatility, the Bamboo Touch is a powerful creative workstation that lets PC and Mac users create digital art with an organic, hands-on feel. Using an innovative tablet and Wacom's "Multi-Touch" system, users can manipulate images and navigate the Web using simple gestures and finger taps. When combined with Wacom's pen-input technology, Pen and Touch allows you to write, doodle, and embellish with ease. Sleek, Stylish, and easy to Use Measuring 9.8 by 6.9 inches, the Touch is compact enough to store comfortably in a laptop case. It features a large and responsive active area, providing enough workspace for even your most ambitious projects. For added convenience, four ExpressKeys provide quick access to user-defined shortcuts. The tablet comes with an easy-to-grip design, so you can have maximum control over your drawing. The work surface is textured, providing a pen-on-paper feel. It's also reversible, so you can use it comfortably whether you're right- or left-handed. The Touch is simple to set up. Simply plug the tablet into your computer via a USB port, install the provided drivers, and you're ready to go. You'll be doodling, writing, and painting in minutes. First-Class Visual Editing Software The tablet also comes with a full suite of visual editing software, including Adobe Photoshop Elements 7.0 Win/6.0 Mac and Nik Color Efex Pro 3.0 WE3--valued separately at several hundred dollars. Touch is compatible with Windows 7, Windows Vista, Windows XP (Service Pack 2) and Mac OS X (10.4.8 or higher.) It requires a powered USB drive, a coloured screen, and a CD/DVD drive. 111	<p>View, talk and listen to your visitors with the Smartwares Video Doorbell. Using the Smartwares View app, you can eachsily see who is at your door, even if you are not at home. For further peace of mind, you can replay visits or take snapshots. Watch, answer and welcome You will be alerted via the app on your smartphone or tablet when someone rings your doorbell. Answer the alert and you will be able to see who is at your doorstep, as well as being able to talk directly with them. This means you will never miss a visitor or delivery again. Always see your visitors The camera records in full HD 1080p. It is equipped with a specially designed sensor that picks up only human movement, preventing unnecessary recordings. With a wide detection zone, this video doorbell will see people approaching at a 160 degree angle. The WiFi video doorbell has infra-red night vision and allows the camera to record up to 3 metres in distance even in the dark. The ability to record and play back any suspicious nocturnal activity, provides your family with a greater sense of security. easy to install Please note that prior to installation it is important to check your wiring. The video doorbell connects using 2 wires and therefore can be used with almost all existing doorbell wiring. The included 12V/1A adaptor can be used to power the video doorbell. This makes it easy to install. It is weatherproof with an IP55 protection rating. The Smartwares Video Doorbell can be connected via an ethernet cable or by WiFi using the Smartwares View App available on both Android or IOS. No more struggling. Just fast and easy installation. 146	<p>Integrated body. 2 socket head screws included. Light weight: 30.4g. Anodic oxidation colouring. Detailed edge processing. Suitable for most bikes sold in the market. The ultra thin and sleek bottle cage is the newest member of IVMONO's extra lightweight line of bottle cages, weighing only 30.4g , constructed from lightweight aluminum alloy. Other bottle cages usually weigh 40g to 70g. The bottle cage is light, but still has the strength of a regular bottle cage. Help to strengthen its hold while stretching slightly to accommodate most larger bottles, keeping bottles securely in place while providing easy access for riders. Great for rides around town or for touring. At only 30.4 grams, it is perfect for those who want a stylish cage to lighten their load as they ride. (BRAND NEW AND SEALED - ITEMS NOT ON SITE!)</p>	1

164	When you look in the mirror what do you see? Your face? Your body? What about your feet? Being constantly on the go, no-one considers the daily pressures and tensions your feet are subject to. They particularly suffer when crammed into high heels, shoved into pumps or wedged into sandals. Don't ignore them - use Pampered Toes to stretch and strengthen them! Pampered Toes are a plastic toe stretching device that helps to revive and condition cramped feet. Inspired by yoga exercises for your feet, the device helps to increase circulation and stretch your tendons. It makes exercising your tootsies as easy as watching TV. When life runs you off your feet, take a few minutes to relax with Pampered Toes. (BRAND NEW AND SEALED - ITEMS NOT ON SITE!)	1

179	<p>Summary</p> <p>Anti Ageing Technology Innovative massage system Improves circulation Regenerates cells Increased skin metabolism</p> <p>MicroRelax Anti Ageing Micro Vibration Massage Therapy Description MicroRelax Anti Ageing Micro Vibration Massage Therapy Vibrates up to 8000 sec Retail Packaged</p> <p>Description Innovative micro massaging system, allows stimulating targeted massage to all areas of the body. Vibration transmitter induces movement in finger tip which then micro massages the area. Use with creams and lotions to maximise their smooth administration and effectiveness. Very relaxing and produces results even on the first use. Simply strap the main lightweight battery unit to your wrist and the transmitter to the chosen finger, switch on and adjust intensity of vibration.</p> <p>If you have poor circulation, or experience fine lines and wrinkles then Micro Vibration Therapy may be the solution for you. Micro Vibration therapy works by deeply massaging each layer of your skin with rapid vibrations that promote lymphatic drainage. It also increases the regeneration of skin cells leading to younger, healthier looking skin. The increase in microcirculation, cell regeneration and increased skin metabolism are the benefits of micro vibration therapy.</p> <p>To reach more about the benefits of micro massage and its anti aging benefits here is one article from the internet: What is MicroVibration Therapy? The whole unit is presented in handy travel case so you can take it with you anywhere, and use anytime. Batteries (2 x AAA) are included with the device so you can use straight away, and are easily replaceable (BRAND NEW AND SEALED - ITEMS NOT ON SITE!)</p>	1

195	<p>These elegant champagne saucers, in a set of 2, are expertly hand-crafted from clear, sparkling glass in Poland. With long stems and wide bowls, they're designed for maximum enjoyment of all kinds of champagne and champagne-based cocktails. Finer in quality with greater clarity than soda glass, crystal is ideal for both every day and special occasions. Crystal Glass is superior to Soda Lime Glass in quality and allows for a finer cut rim instead of rounded or rolled edges. (BRAND NEW AND SEALED - ITEMS NOT ON SITE!)</p>	1
196	<p>Durable polypropylene construction.</p> <p>Creates exit for bath water to prevent overflow.</p> <p>Compression fitting outlet (40mm) and flexible telescopic waste connector (50mm).</p> <p>Suitable for baths and deep shower trays.</p> <p>For use with plastic, copper and lead pipes. 197	<p>This 3 in 1 high chair is perfect for growing children. This chair can be used 1 of 3 ways. Firstly it can be used as a standard highchair with tray. Secondly it can be used without the tray so the high chair can easily be pulled up to a table and your infant can eat at the table with everyone else. Thirdly just simply remove the top layer to reveal a ready made table at the base. Your infant can now have their own table and eat independently! Perfect high chair that grows with the child!</p> <p>The chair itself is padded with a lovely soft seat liner, Whilst the tray also features a second removable layer. On the chair there is also a five-point safety harness which is dishwasher safe and easy to clean!</p> <p>Thanks to its unique 3 in 1 design the chair can be used for a range of activities, not only feeding. This can also be used for activities such as painting and drawing whilst sat at the built in table.</p> <p>Perfect for children from 3 months all the way to 3 years! As they start to become more and more independent the chair will grow with them! Just simply keep removing layers until they have their own table and chair to sit at!</p> <p>Features</p> <ul style="list-style-type: none"> Removable easy clean feeding tray with cup holders Adjustable height for High/Low feeding Reclining chair (3 Positions) with washable super soft cushioned seat and back rest Adjustable chair strap for comfort and security Very sturdy and solid construction Multifunctional Design Can be used as the high chair Can be used as a lower feeding chair when required easily converts into a desk and chair for your child to use as they grow Comply with European standards: EN14988 Specification <p>Colour: Blue Product Size: 106.5cm x 65cm x 57cm Three position reclining seat Two removable trays Suitable for ages 3 - 36 months (BRAND NEW AND SEALED - ITEMS NOT ON SITE!)</p>	1
