144	When you look in the mirror what do you see? Your face? Your body? What about your feet? Being constantly on the go, no-one considers the daily pressures and tensions your feet are subject to. They particularly suffer when crammed into high heels, shoved into pumps or wedged into sandals. Don't ignore them - use Pampered Toes to stretch and strengthen them! Pampered Toes are a plastic toe stretching device that helps to revive and condition cramped feet. Inspired by yoga exercises for your feet, the device helps to increase circulation and stretch your tendons. It makes exercising your tootsies as easy as watching TV. When life runs you off your feet, take a few minutes to relax with Pampered Toes.	1

227	When you look in the mirror what do you see? Your face? Your body? What about your feet? Being constantly on the go, no-one considers the daily pressures and tensions your feet are subject to. They particularly suffer when crammed into high heels, shoved into pumps or wedged into sandals. Don't ignore them - use Pampered Toes to stretch and strengthen them! Pampered Toes are a plastic toe stretching device that helps to revive and condition cramped feet. Inspired by yoga exercises for your feet, the device helps to increase circulation and stretch your tendons. It makes exercising your tootsies as easy as watching TV. When life runs you off your feet, take a few minutes to relax with Pampered Toes.	1

253	<p>This 3 in 1 high chair is perfect for growing children. This chair can be used 1 of 3 ways. Firstly it can be used as a standard highchair with tray. Secondly it can be used without the tray so the high chair can easily be pulled up to a table and your infant can eat at the table with everyone else. Thirdly just simply remove the top layer to reveal a ready made table at the base. Your infant can now have their own table and eat independently! Perfect high chair that grows with the child! The chair itself is padded with a lovely soft seat liner, Whilst the tray also features a second removable layer. On the chair there is also a five-point safety harness which dishwasher safe and easy to clean! Thanks to its unique 3 in 1 design the chair can be used for a range of activities, not only feeding. This can also be used for activities such as painting and drawing whilst sat at the built in table. Perfect for children from 3 months all the way to 3 years! As they start to become more and more independent the chair will grow with them! Just simply keep removing layers until they have their own table and chair to sit at! Features Removable easy clean feeding tray with cup holders Adjustable height for High/Low feeding Reclining chair (3 Positions) with washable super soft cushioned seat and back rest Adjustable chair strap for comfort and security Very sturdy and solid construction Multifunctional Design Can be used as the high chair Can be used as a lower feeding chair when required Easily converts into a desk and chair for your child to use as they grow Comply with European standards: EN14988 Specification Colour: Blue Product Size: 106.5cm x 65cm x 57cm Three position reclining seat Two removable trays Suitable for ages 3 - 36 months</p>	1

317	High-efficient Filtration System: Our Home Air Purifier is composed of a pre-filter, H13 True HEPA filter and activated carbon filter, which can capture 99.97% of fine particles and allergens as small as 0.3 microns, PM 2.5 air pollutants, and other pollutants such as dust, pet dander, smoke, mold, pollen Desktop Air Filter with Aromatherapy: There is an aroma sponge box at the bottom of the air inlet of the Portable Air Purifier. Add a drop of essential oil (not included) to the sponge and put it in the box. The light fragrance will waft to every corner of the room with air movements Ultra-quiet and Night Light: The Personal Air Purifier comes with two air volume settings. The first level is low-noise sleep mode, the second is high-efficiency purifying mode, and the night light can be freely turn on/off. It is a perfect dust extractor to purifier the air in the bedroom without disturbing your sleep. Additionally, our air cleaner device with a replaceable hepa filter element will not produce harmful ozone and secondary pollution Low Power Operating: Unlike most air purifiers with AC motors on the market, we optimize our Air Cleaner by using a DC motor with 5W low energy consumption, maximizing the purification efficiency on machines of the same size. Japanese motor bearings ensure durability and provide a more energy-saving and safer air cleaning experience. It can clean 55 cubic meters of air per hour to improve air circulation and keep the air fresh in your room Easy to Use: Mini Air Purifier is an ideal gift for pet owners, babies, children, parents, friends, etc., and suitable for anyone who wants to improve the air quality in their home, office or hotel room. The hepa filter is recommended to replace it every 3 months to ensure the best filtering results	1
