### 2 Bidding procedures and the Buyer

2.1 Bidders must register their details with us before bidding and provide us with any requested proof of identity, in a form acceptable to us, before entering the auction room to view or bid.

2.2 You are responsible for your decision to bid for a particular Lot and we strongly recommend that you attend the auction in person. If you bid on a Lot, whether in person, by placing a commission bid or by telephone and online bidding, we assume and you accept that you have carefully inspected the Lot and satisfied yourself regarding its condition.

2.3 If you instruct us in writing, we may execute commission bids on your behalf. Neither we nor our employees or agents will be responsible for any failure to do so save where such failure is unreasonable. Where two or more commission bids at the same level are recorded we reserve the right in our absolute discretion to prefer the first bid so made.

2.4 The Bidder making the highest bid for a Lot accepted by the Auctioneer will be the Buyer at the Hammer Price and any dispute about a bid will be settled at our absolute discretion by re-offering the lot during the course of the auction or otherwise. We will act reasonably in exercising this discretion.

2.5 Bidders will be deemed to act as principals.

2.6 Our right to bid on behalf of the Seller is expressly reserved up to the amount of any Reserve and we may refuse to accept any bid if it is reasonable for us to do so.

2.7 Bidding increments will be at our sole discretion.

### 3 The purchase price

As Buyer, you will pay:

- the Hammer Price;
- a buyer's premium at 21.6% (18% plus VAT) on the hammer price of each lot purchased in our sales
- any artist's resale right royalty payable on the sale of the Lot; and
- any VAT due at the prevailing rate.

### 4 VAT

4.1 VAT on the Hammer Price and premium is imposed by law on all items identified in the auction catalogue with an asterisk or double asterisk.

4.2 We will charge VAT at the current rate at the date of the auction.

### 5 The contract between you and the Seller

5.1 The contract for the purchase of the Lot between you and the Seller will be formed when the hammer falls accepting the highest bid for the Lot at the auction.

5.2 You may directly enforce any terms in the Terms of Consignment

against a Seller to the extent that you suffer damages and/or loss as a result of the Seller's breach of the Terms of Consignment.

5.3 If you breach these Conditions of Sale, you may be responsible for damages and/or losses suffered by a Seller or us. If we are contacted by a Seller who wishes to bring a claim against you, we may in our discretion provide the Seller with information or assistance in relation to that claim.

5.4 We normally act as an agent only and will not have any responsibility for default by you or the Seller (unless we are the Seller of the Lot).

### 6 Payment

6.1 Immediately a lot is sold you will:

6.1.1 give to us, if required, proof of identity; and

6.1.2 pay to us the Total Amount Due in cash (for which there is an upper limit of 10,000 euros equivalent) or in any other way as is agreed by us.

6.2 Any payments by you to us may be applied by us towards any sums owing from you to us on any account whether without regard to any directions of you or your agent, whether express or implied.

### 7 Title and collection of purchases

7.1 The ownership of any lots purchased shall not pass to you until you have made payment in full to us for the Total Amount Due. No purchase can be claimed until it has been paid for.

7.2 You will (at your own expense) collect any Lots that you have purchased and paid for not later than five working days following the day of the auction.

7.3 If you do not collect the Lot within this time period, then Lots not collected will be subject to a storage charge of £1 per lot per day. After ten days, we may sell the Lot. We will pay the proceeds of any such sale to you, but will deduct any storage charges or other sums that we have incurred in the storage and sale of the Lot. We reserve the right to charge you a selling commission together with a loss/damage fee at our standard rates on any such resale of the Lot.

7.4 Risk of loss or damage to the Lot will pass to you when you (or your agents) take physical possession of the Lot.

7.5 If it becomes apparent that a Lot has been sold without good title or without authorisation then the buyer agrees to return the Lot promptly subject to being reimbursed any purchase costs and any reasonable expenses incurred in returning the item. If the Buyer fails to return the Lot then the Seller agrees to accept the hammer price achieved as recompense for the sale of the item.

### 8 Remedies for non-payment or failure to collect purchases

8.1 Please do not bid on a Lot if you do not intend to buy it. If your bid is successful, these Conditions of Sale will apply to you. This means that you will have to carry out your obligations set out in these Conditions of Sale. If you do not comply with these Conditions of Sale we may (acting on behalf of the Seller and ourselves) pursue one or more of the following measures:

8.1.1 to proceed against you for damages for breach of contract;

8.1.2 if payment and collection of the Lots does not take place within five days of the day of the auction, at the discretion of the Auctioneer, to rescind the sale of the Lot to you and/or any other Lots sold by us to you;

8.1.3 to resell the Lot (by auction or private treaty) in which case you will have to pay any difference between the price you should have paid for the Lot and the price we sell it for (after crediting any part payment and adding any resale and storage costs). Please note any surplus arising will belong to the Seller;

8.1.4 to remove, store and insure the Lot at your expense;

8.1.5 to charge interest at a rate not exceeding 1.5% per month on the Total Amount Due if you do not pay us within five working days of your successful bid;

8.1.6 to retain that Lot or any other Lot sold to you until you pay the Total Amount Due;

8.1.7 to reject or ignore bids from you or your agent at future auctions or to impose conditions before we accept bids from you; and/or

8.1.8 if we sell any Lots for you, use the money made on these Lots to repay any amount you owe us.

8.2 We will act reasonably when exercising our rights under Clause 8.1. Except where stated, we will contact you before exercising these rights and try to reach an agreement in respect of any non-compliance by you with these Conditions of Sale.

### 9 Third Party Liability

All members of the public on our premises are there at their own risk and must note the lay-out of the premises and security arrangements. Neither we nor our employees or agents shall incur liability for death or injury (except as a result of our, our employees' or our agents' negligence) or similarly for the safety of the property of persons visiting the premises.

### 10 Warranties

10.1 The Seller warrants to us and to you that:

10.1.1 the Seller is the true owner of the Lot for sale or is authorised by the true owner to offer and sell the lot at auction;

10.1.2 the Seller is able to transfer good and marketable title to the Lot to you free from any third party rights or claims; and

10.1.3 as far as the Seller is aware, the main characteristics of the Lot set out in the auction catalogue (as amended by any notice displayed in the saleroom or announced by the Auctioneer at the auction) are correct.

- 10.2 If, after you have placed a successful bid and paid for a Lot, any of the warranties above are found not to be true, please notify us in writing. Neither we nor the Seller will be liable to pay you any sums over and above the Total Amount Due and we will not be responsible for any inaccuracies in the information provided by the Seller except as set out below.
- 10.3 Please note that nearly all Lots that you may bid on at our auction are second-hand.
- 10.4 Save as expressly set out above, all other warranties, conditions or other terms which might have effect between the Seller and you, or us and you, or be implied or incorporated by statute, common law or otherwise are excluded.
- 11 Descriptions and condition**
- 11.1 Whilst we seek to describe lots accurately, our descriptions will be based on: (a) information provided to us by the Seller of the Lot (for which we are not liable); and (b) our opinion (although it may be impractical to carry out a detailed inspection of each Lot).
- 11.2 We will give you a number of opportunities to view and inspect the Lots before the auction. You (and any independent consultants acting on your behalf) must satisfy yourself about the accuracy of any description of a Lot. We shall not be responsible for any failure by you or your consultants to properly inspect a Lot.
- 11.3 Prospective buyers also bid on the understanding that representations or statements by us as to authorship, genuineness, origin, date, age, provenance, condition or estimated selling price involve matters of opinion. We undertake that any such opinion will be honestly and reasonably held and accept liability for opinions given negligently or fraudulently.
- 11.4 Please note that Lots are unlikely to be in perfect condition. Lots are sold "as is" (i.e. as you see them at the time of the auction). We encourage absent bidders to request a condition report of the item from us. Neither we nor the Seller nor any employee accept any liability for the condition of second-hand Lots or for any condition issues affecting a Lot which the inspection of a Lot by the Buyer ought to have revealed. We do not accept any liability for the correctness of any opinions given and all conditions and warranties, whether relating to description, condition or quality of lots, express, implied or statutory, are hereby excluded.
- 11.5 In the event that there is a discrepancy between a description and/or a photograph of the lot as displayed online and/or the item lotted in the room then we may cancel the sale of any affected Lot and we will refund the money paid by you for the Lot (including any Premium and applicable VAT).
- 12 Deliberate Forgeries**
- 12.1 You may return any Lot which is found to be a Deliberate Forgery to us within 21 days of the auction provided that you return the Lot to us in the same condition as when it was released to you, accompanied by a written statement identifying the Lot from the relevant catalogue description and a written statement of defects.
- 12.2 If we are reasonably satisfied that the Lot is a Deliberate Forgery we will refund the money paid by you for the Lot (including any Premium and applicable VAT) provided that if:
- 12.2.1 the catalogue description reflected the accepted view of experts as at the date of the auction; or
- 12.2.2 you personally are not able to transfer good and marketable title in the Lot to us, you will have no right to a refund under this clause.
- 13 Our liability to you**
- 13.1 We will not be liable for any loss of opportunity or disappointment suffered as a result of participating in our auction.
- 13.2 In addition to the above, neither we nor the Seller shall be responsible to you and you shall not be responsible to the Seller or us for any other loss or damage that any of us suffer that is not a foreseeable result of any of us not complying with the Conditions of Sale. Loss or damage is foreseeable if it is obvious that it will happen or if at the time of the sale of the Lot, we, you and the Seller knew it might happen.
- 13.3 If we are found to be liable to you for any reason (including, amongst others, if we are found to be negligent, in breach of contract or to have made a misrepresentation), our liability will be limited to the total purchase price paid by you to us for any Lot.
- 14 Notices**

- 18.1 We may, acting reasonably, refuse admission to our premises or attendance at our auctions by any person.
- 18.2 We act as an agent for our Sellers. The rights we have to claim against you for breach of these Conditions of Sale may be used by either us, our employees or agents, or the Seller, its employees or agents, as appropriate. Other than as set out in this Clause, these Conditions of Sale are between you and us and no other person will have any rights to enforce any of these Conditions of Sale.
- 18.3 We may use special terms in the catalogue descriptions of particular Lots. You must read these terms carefully along with any glossary provided in our auction catalogues.

- 18.5 We may change these Conditions of Sale from time to time, without notice to you.
- 18.6 Compensation will be paid to the seller for any damaged or lost items equivalent to the lower estimate of value (less any commission charges and other normal selling expenses) as agreed on entering the item for sale or as subsequently set by us. In the event of dispute then the level of compensation payable will be referred to an independent expert for resolution.
- 18.7 These Conditions of Sale and any dispute or claim arising out of or in connection with them (including any non-contractual claims or disputes) shall be governed by and construed in accordance with the laws of England and the parties irrevocably submit to the exclusive jurisdiction of the English courts.
