APV DAIRY PROCESSING PLANT CAPABLE OF PRODUCING ALL TYPES OF DESSERTS, FILLINGS, MILK & CREAM ETC.

A collage of 15 photographs showing various stages and components of a dairy processing plant. The images include: large stainless steel storage tanks with ladders and railings; complex piping systems with valves and gauges; a control room with a computer monitor; a conveyor belt system with yellow yogurt containers; and various mechanical components like pumps and mixers. The equipment is made of polished stainless steel, and the overall environment appears clean and industrial.
