India - History - Rabindranath Tagore (1861 - 1941) Handwritten Poem Paragraphs 'Fireflies' depicts various paragraphs -
*'The obsequious brush curtails truth
in deference to the canvas which is narrow.
The hill in its longing for the far-away sky
wishes to be like the cloud
with its endless urge of seeking.
To justify their own spilling of ink
they spell the day as night.
Profit laughs at goodness
when the good is profitable.
It is easy to make faces at the sun,
He is exposed by his own light'* et al.
